

# Forest School Motto

*In forest school we are kind  
to all the living things we find'.*

## Our rules

1. Have Fun!
2. Always stay inside the string boundary unless a leader is with you.
3. Always walk in forest school.
4. Wash or wipe your hands before eating.
5. No throwing, hitting or swinging things around. You may hurt someone or damage the trees and plants.
6. Be very careful with sticks. Drag long ones. Only use for building or as tools.
7. Look after all the living things.
  - a Never pick growing things (flowers, leaves, toadstools or creatures).
  - b Put logs and stones back carefully after looking for bugs.
  - c Bark is the tree's skin please don't break it off or hit it.
  - d Use bug boxes and magnifiers to look at mini-beasts.
  - e You are living too so be kind to yourself and others.
8. Put things back where you found them so that the forest stays tidy and the animals safe.
9. Keep hose pipe running into containers or the hedgerow not the open ground and pathways.
10. Show things you find to the grown-ups. They are always interested.
